

Top-up cards are changing...

Contactless payment is coming soon!

From the end of October, we'll be getting new ticket machines, complete with contactless technology.

This means that from the last weekend in October we'll no longer be able to accept top-up cards on the bus - including 10% Discount Cards, Student Discount Cards or Go Cards. You can keep using your card to pay for fares until 26 October, but we won't be taking any further top-ups on cards from 15 October.

If you have one of these cards, please read on to find out about great new offers that we're bringing in to replace these cards.

Go Card & Student Discount Cards

16 to 18 year olds can now get 20% discount without a card. Just show your school or college ID card on the bus when you buy your single or return ticket, and you'll get it with 20% off!

Please note, you may also need to show proof of age, and this offer is not available on special buses such as Late Night Service 107, Hull Fair buses, and contract buses such as Wyke services. If in doubt, please check with the driver when you board.

We also have a variety of passes available for different universities and colleges around the region. See our website or ring BusLine for details, or speak to your school or college.

10% Cards & ERYC Cards

24 hour tickets for various zones are available to buy on the EYMS Buses app, where you can purchase your ticket in advance using a credit/debit card or Apple Pay. Alternatively, simply pay for your single and return journeys on the bus - with contactless payments available from the end of October.

If you travel regularly, you may find weekly tickets will save you money - they're available from the bus driver, or from the EYMS Buses app. We also have great value 30 day tickets on the EYMS Buses app.
